EVENT SPACE & SITE

The event is held at Wollaton Park, Nottingham, on a sloping, green-field site – although there are some tarmac pathways, these do not run into the stages (which all stand on grass). Weather and ground conditions may be variable.

ENTRY

There is a dedicated Disabled Entry Gate on level tarmac surface at the top of the driveway, manned by stewards that will allow access to the site. Please exchange your ticket for a wristband here. This is located to the right hand side of the main queuing lanes.

ACCESSIBLE PARKING

An Accessible Car Park and Drop Off is located off the Main Driveway to Wollaton Hall, accessed off Wollaton Road. This is available to all blue badge holding festival goers. The parking is on gravel – however the route from the Driveway to the Disabled Entry Gate is tarmac. Your vehicle must clearly display your blue badge. At the end of the event, the driveway will be busy with pedestrians exiting the event. Please be aware that it may take a while to get out of the site following the end of the event.

The following access facilities need to be pre-booked using the Access Requirement form. This form and the required evidence must be sent to us once you have purchased a ticket.
